UEHLAMAR SHORTHORNS

VERNON D. UEHLING
At the Fair Grounds
OAKLAND, NEBRASKA

Saturday, February 29, 1936

We Again Invite You

to attend our annual reduction sale at the Fair Grounds, Oakland, Neb. To make this sale, we have cut deeply into the herd and have never sold a better offering of short-legged, thick, good headed cattle.

Many of the females are broke to milk and will make family milk cows if necessary although they are bred for beef, in fact we have nothing but registered Scotch bred cattle and always have plenty of milk. Their pedigrees will stand the light of criticism and no herd has ever had two bulls that cross so well with the cows they are mated with.

In writing the foot notes, we have conscientiously written some facts as we see each individual and believe, in looking over the catalogue and studying these foot notes, they will be of great benefit to a man in selecting the type of cattle he is seeking.

This offering is healthy. The herd has been Federally Accredited for 15 years and has been abortion tested.

All cattle will be sold subject to a 60-day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory.

Bulls are guaranteed breeders but must not run with herd under 20 months of age.

All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers are guaranteed to be breeders. If any animal under this guarantee fails to breed, it may be returned to the seller, if in as good condition as when bought and, if after a test in the seller's herd it still fails to breed, it will be replaced.

Failure of any animal to meet this guarantee must be reported within 60 days from date of sale.

The terms of the sale are cash unless other arrangements are made before.

VERNON D. UEHLING, OAKLAND, NEBR.

General Information

Those wishing to buy who cannot be present may send their bids to The Auctioneer, **A. W. Thompson, Lincoln, Nebr.; J. L. Miller, Corn Belt Dailies Fieldman, South Omaha, Nebr.; H. W. Biederman, Nebraska Farmer Fieldman, Lincoln, Nebr., or M. T. White, Omaha, Nebr., Fieldman for Wallace's Farmer and Iowa Homestead,** however, we urge you to be present as it will be worth your time to see an offering of cattle like these.

A transferred certificate of registry will be furnished on each animal over six months old and an application for registry for each animal under six months and each unborn calf sold in dam.

Shipment will be made as soon as possible after the close of the sale and without trouble to the purchaser but at their risk of loss or injury. Shipping vouchers will be attached to Bill of Lading granting one-half rate for pure bred cattle.

The sale will begin at 1 P. M., February 29, 1936.

At the Fair Grounds Pavilion in Oakland, Nebraska.

No postponement on account of weather.

Dreadnaught Majestic has contributed his share of fine Shorthorns to this herd. He nicks very well on daughters of Sni-A-Bar Giltspur and in fact any cow ever mated to him. A calf sired by him will prove to be a real beast when matured and we are proud of his calves. His get, both males and females, have sturdy, short legs, depth to burn, width and style. They are the real Dreadnaughts.

Sni-A-Bar Giltspur—It is very much to our regret that we are selling this great sire. He is large, has a gentle disposition and is very well bred, being from that noted Clipper family; probably without reservation, the highest priced cow in America is seen in this pedigree. As for the three top sires, no better are seen in any pedigree in America and the reputation of a Gordon Clipper family means there are some very good bulls below in the pedigree. He stood first at the Iowa State Fair as a calf, the only time ever shown at a state fair. None of his get were ever highly fitted but are high class, as you will find in the 25 sons, daughters, grandsons and granddaughters in the sale. Since we are cutting the herd down we have too many of his daughters to be able to keep him.
